- **CHECK IN/CHECK OUT.** All age groups will have a 'home base' that will serve as their check in and check out area as well as a space to keep their belongings during activities. **This means that children in separate age groups CANNOT share bags.** Every child needs to have his/her own bag with any items they will need for the evening.

- **DISCONNECT TO RECONNECT.** We ask that all electronics be left at home in order to limit digital distractions and to allow for an active and engaging evening for everyone.

- **WHAT TO BRING.** An awesome attitude, a bag to keep personal belongings in, and all children over the age of 4 will need a bathing suit. **4 & 5 year olds will be in the pool for their first rotation so we ask they arrive in their bathing suits, ready to swim.**
