Y-KIDS JR. | Ages 4-5

Y-Kids combines educational enrichment, fitness, and character development into fun and interactive days. This group will do everything from using their imagination and creativity to explore the world to focusing on areas like fine-motor skills, school readiness, etiquette, and development of social skills.

Y-KIDS | Ages 6-8

Y-Kids has a strong focus on summer time learning loss and educational enrichment. We will spend time each day with reading, writing, and math in addition to regular group and STEM projects. The YMCA core values of caring, honesty, respect and responsibility will be emphasized as well.

ADVENTURE CAMP | Ages 9-12

Adventure Camp is the ultimate "big-kid" Day Camp experience. In addition to re-emphasizing the Y core values and summer learning loss activities, Adventure Campers will have the ability to go on more field trips than the other groups. They will also explore leadership and mentoring opportunities throughout the YMCA.

* The YMCA and all Y-Kids programs are closed on Wednesday, July 4.

The graphic features the YMCA logo at the top left with the tagline "FOR YOUTH DEVELOPMENT FOR HEALTHY LIVING FOR SOCIAL RESPONSIBILITY". The central text reads "BEST SUMMER EVER™" in large, bold letters. Below this are five circular icons: a beach ball, a heart, two pencils, a swimmer, and a paper airplane. At the bottom, it says "SUMMER Y-KIDS PROGRAM" and "The Greater Marinette-Menominee YMCA".

MEET OUR STAFF!

Joe Plautz

Program Director

I have been with the YMCA for 13 years and I love my work here. I'm still a kid at heart! In my free time, I enjoy spending time with my family. I love sports, especially football. My two favorite summer activities are camping and fishing.

Karin Wood

Y-Kids Program Coordinator

This is my third summer working in Y-Kids. I also serve as the YMCA After School Program Coordinator. I have worked in the education field for over 20 years and love it! I currently live in Menominee with my husband and 4 children. In my spare time I love to travel and spend time with my family.

Alison Nordquist

Y-Kids Jr. Coordinator

I have been working at the YMCA and in the Y-Kids for four years. I love getting to know all the kids individually and learning all of their personalities. I am studying history and education at UWGB, and enjoy spending time with family and friends.

Megan Dubrock

Y-Kids Coordinator

This is my fourth summer at the YMCA and second as Y-Kids Coordinator. During the school year, I work as the site coordinator for the Central After-school program, as well as working as an Educational Associate at Marinette Middle School. When I am not working, I am working toward my bachelor's degree in elementary education with a minor in special education!

Emily Klein

Adv. Camp Coordinator

I'm a senior at UW-Stevens Point majoring in Graphic Design and minoring in Business Administration. This is my fifth summer at the Y and my third being adventure camp coordinator. In my free time I love to paint and be crafty.

WHAT IS Y-KIDS ALL ABOUT?

ENRICHMENT

Summer is what the kids have been waiting for all school year, but that doesn't mean that learning has to stop. Summer Y-Kids is filled with fun and engaging learning activities that help to prevent summer learning loss. Daily activities include math, reading, STEM projects, arts and crafts, gardening in addition to many other stimulating projects. Y-Kids is much more than summer child care. It is an interactive summer enrichment program.

FUN

Summers are meant to be fun! The daily plan is not only designed to be structured and educational, but also to be wholesome and fun! This includes, daily games and activities that are both active as well as team-building. Weekly themes and projects and events that fit the themes are both enriching and fun. Exploratory field trips and off-site visits will be a regular part of the program.

HEALTHY LIVING

This is at the core of what we do. All of the activities that we offer during each day will promote a healthy mind, spirit and body. The Y will provide HEPA (Healthy Eating & Physical Activity) compliant healthy snacks and lunches as well as offer daily physical activity segments as well as lessons in both nutrition and exercise through our new CATCH (Coordinated Approach To Child Health) curriculum.

CHARACTER DEVELOPMENT

The YMCA core values of caring, honesty, respect and responsibility are the cornerstone of our Summer Y-Kids Program. These values as well as other topics relative to building character will be a daily feature in the Y-Kids program. Staff will hold discussions and exercises geared toward creating a sound understanding of ethics and morality.

FREE HEALTHY LUNCH AND SNACK Meet Up and Eat Up Program

Once again the YMCA has been selected as SLFC Michigan Summer Lunch Program site. Through a partnership with Menominee Public Schools, a healthy bagged lunch will be provided each day at 11 a.m. from Wednesday, June 13– Friday, August 24. Please reserve your lunch for the day prior to 8:30 a.m. so it can be included in the daily lunch order. For the following dates: June 11-12 and August 27-31, all Summer Y-Kids will have to supply their own healthy lunch.

Also each day all of our Y-Kids will be given a healthy afternoon snack that is in compliance with HEPA standards.

It is optional to bring your own lunch and snacks if you desire, but please keep our healthy mission in mind.
