The Y team is for swimmers who would like to be a part of a positive social team atmosphere. Swimmers are groups by age / skill level and may come as often or as little as they choose.

YMCA programs such as swim lessons, youth sports, gymnastics, and competitive teams do more than teach skills they teach confidence & responsibility. YMCA programs also teach us to be strong in spirit, mind & body. Financial assistance for participation is available - please inquire.

Any 3rd grader receives a free membership to our YMCA!
