As you know, the Greater Marinette-Menominee YMCA is currently closed due to COVID-19 and our State is under a "Stay Home Stay Safe" order at least until midnight on April 13th. We plan to restore full operations as soon as it is safe to do so.

Throughout the coming weeks we will continue to provide updates and important information to you as it becomes available through email notifications and our webpage, www.mmymca.org. If we do not have your email address please email or call Jenni Campbell at jenni@mmymca.org 715.938.2287 or Terri Falkenberg at terri@mmymca.org 715.923.3197.

We no longer have a staff member at the Welcome Desk Mon-Fri 8am-5pm. We have very limited essential staff in the building, but when they are there, they will answer the phone. That is why we are asking you to email us with your questions.

We want to thank you for your support and we are grateful for your patience as we work to address your questions and concerns.

Membership Continuation & Credit Information

We ask that you stay with us during this difficult time and keep your membership active through our monthly bank draft program. That \$45 (average) to may not break your bank, but 2300 units paying \$45 a month to our Y can make or break us!

Supporting the Y through your membership has done this already:

- Paying staff to coordinate a program with New Life Church to provide childcare for those in our community who are still working and providing us with basic needs; our Public Safety, Sanitation, Senior Care living and those who are working the front line efforts to contain the COVID - 19 virus.
- Work/volunteer at our local grocery store, Jack's Fresh Market, to provide shopping/delivery to our elderly, help keep the shelves in the store stocked and keeping bakery bread on the shelf.
- Ensure that we have sufficient funding to make certain we can honor our promise to serve all without regard to financial ability once programming resumes.

- Support our staff with creative work options through March 31st, (beginning April 1st most Y staff will be on a temporary layoff). Only staff considered essential are allowed to work remotely and at the facility.
- Maintaining and cleaning our buildings in preparation of reopening.

We are looking for ways to reduce our costs during this pandemic. We have lowered the water/air temp already. We are communicating with our vendors to see if they can help us through this time.

Can I place my membership on “Hold”?

Please be aware we can place your membership on “Hold” at no charge. Email or call Terri or Jenni to confirm a “Hold” on your membership.

Our current Spring I Programs & Session 2 Fitness...

Because we will not be open on April 13th a program credit will be given upon request. Again, if you would like to invest your dollars in the Y it will be appreciated and invested wisely in our important work. If you would like a program fee credit for future use, please email Jenni Campbell at jenni@mmymca.org or Terri Falkenberg at terri@mmymca.org

What can I do to help.....

“Stick” with the Y.

Email or call us your email address so you get all of our updates during this time of isolation.

If you are a Silver Sneakers member email us your workouts so we can get “paid” through your insurance provider. (Something they did to help us!)

If you are not receiving important emails about your Y during this time we must not have your email. Please call the Y at 906.863.9983 to get on our membership email list.
