# TOT-WATCH

Each day, we have handfults of children taking advantage of our tot-watch program, which is a place for parents to drop off their children while they exercise. The staff is compassionate, loving, and great roll models to each child who enters the doors. Everyone is welcome age 0-8. By having tot-watch we have created a safe environment for your child to explore and learn.

Your child will remember playing in the gym with Miss Krista, painting a picture with Miss Madi, or even participating in Zumba class with Miss Terri! The lessons and memories created there will last a lifetime. Whether your children grow up to be teachers, astronauts, or semi-drivers, we want to be a part of your child's future.
